Subject: ~ Testimony with Before and After Pictures ~

Before I give my Testimony..Let me say this...Cathy Howse products work!...They REALLY work!!...Read both of her books b/c they're both full of great information!..When I first heard of Cathy and her products I was very skeptical...I had tried so many other products that either did nothing for my hair or made it worse!...Over the years...I've wasted "THOUSANDS" and I do mean thousands on hair wigs/weaves....Thinking that I could never grow my hair longer than neck length....After researching Cathy and her products.....There were many reasons that convinced me to try her products and methods...One of the main reasons was her experience with hair care!...Her products and methods have been successful for over 19 years!....This isn't just some over-night company that's trying to get our hard earned money!...I feel that Cathy and her staff genuinely care about hair care.....My only regret is that I didn't know about her books and products years ago!....I know there are a lot of skeptics out there who doubt that her products and method really works....But, please believe me when I tell you that they work!..My before and after pictures are proof of that!...Since I started her products and methods...I haven't dusted, trimmed, or cut my ends and my hair STILL GREW!..Which goes to show...You do not need to cut your hair in order for it to grow...Stick with her products and the way that she instructs you to take care of your hair and your hair will be healthier than it's ever been!....My hair has a beautiful sheen to it...It's thicker and longer than it's ever been in my life!!!....It feels So Good to have hair this healthy and, long and it really be "My Own Hair"...No Braids, Weaves Or Lace Fronts.....But,...My Own Hair!...I get compliments on my hair all the time.... and I always tell them it's b/c of my (SUPERIOR) hair products by Cathy Howse!....I will defiantly be a customer for life!

*Sincerely,
J.H.*
