Subject: Afro Hair and Beauty Show in London May 2007

Hi Cathy,

It was great to have finally met you, I've been following your advice since December 2005 when I was fed up of constantly having my hair cut off by my hairdresser on her advice. I came across your website on Google and it's the best thing I've searched for on that site.

I met you on Sunday 27th May (the first day of the show) in the morning and bought quite a few of your largest bottles of Creme Moisturiser (I swear by that Moisturiser).

Anyway, I just wanted to say thankyou, thankyou, thankyou.

My hair was in need of a treatment and Creme Moisture but I hadn't bought any for a few months as I knew you were coming over to London and wanted to buy it from you personally, well I did and I've just given myself a treatment and will go back to twice a week conditioning for now as my hair has started breaking (I've been a naughty girl, taking my new found length for granted).

Well, here are my photo's of before and current, the current ones were taken on 16th May 2007 and the before was 4th December 2005, a year and a half of growing.

You can use the photo's on your website if you want as a testimony from me, I hope you remember me because I will never forget you.

Lots of Love
