Subject: I'm taking your 365 day challenge.....

Hi Cathy,

My name is Jessica and I'm taking your **365 day challenge!!!** Today, Nov. 11th, 2004 marks my 195th day.

Thank you for answering my questions I emailed you a couple months ago. You were very fast in the time you replied.

You know sometimes when you relax your hair it doesn't look like it really got any longer, but a few it looks like it did and it just hits you? Well, I got my hair relaxed this week and boy was it *gorgeous!!!* **I could really see my hair growth!** I jumped up and down in the salon and my stylist just laughed. I can't tell you how excited I am to watch and marvel at the difference in my hair since starting your techniques. My stylist is impressed. And this is all possible because of you!!!!

I am so thrilled that you did your research and made your information available to us ladies through your **wonderful** products and your book.

Keep up the good work and thank you so very much for sharing your blessing with the world. I wish you would get on Oprah girl!!!!

Thank You Thank You Thank You Thank You

God Bless,
Jessica Mayfield
