Hello, I didn't know where else to send this, but I felt that it was right I let you know about your products.

First and foremost THANK YOU! I've been a customer for a year now and my hair grew five inches (ear length to armpit length) in a matter of 1 year. After ordering the book, conditioner, and the oil I was really amazed. People who hasn't seen me in years, still thinks I wear weave. They won't believe me unless I let them touch my hair. :) I never thought I could have long hair, but after trying your product I now know anything I set my mind to is possible. I know I sounds a little corny, but you really gave me a lot of hope. Keep up the good work.
