

1/12/05 Hello Cathy

Mary Johnston

Bronx, N.Y

I have tried to search for a moisturizing product so I would not have to buy yours. I said to myself there has to be a good moisturizing product out there besides Cathy's. Well, to my surprise well, kinda to my surprise I did not find one. I tried many, spent so much more money. I had to admit to myself your products so far has been the best for my hair. I ran out of moisturizer 3 weeks ago. (P.s And it works.) It has been an awful experience.
