Ms. Howse:

On Tuesday, 12 July 2005, I received your products (conditioner, creme moisturizer, and dew). I am already pleased with the results I have received.

My hair has always been very long; however, due to some recent stress, etc., I haven't been taking care of it and it is breaking off and falling out. I made the mistake of cutting off approximately 9 inches attempting to correct the look. However, this has not helped and it looks and feels the same and is still breaking.

Your products are truly wonderful. My hair has returned to its beautiful shine, body and I have less breakage. Thanks so much - I'm glad I stumbled upon your website. By the way, your books is filled with wonderful, easy to understand information.

God bless.

Ms. Jo Macklin
