**Subject:** Re: ULTRA BLACK HAIR/UPH PUB Customer Receipt/Purchase Confirmation

I want you to know that I personally live by your products. I have been using the products since Sept 2007 and I cannot believe how much my hair has grown. I have hair in places on my scalp that I have not seen in 20 years. I am not exaggerating. Thanks for investing your time for the benefit of African American women like me who long for a decent head of hair.

Heather Jenkins
