Dear Ms. Howse:

I cannot, cannot express the joy I have experienced by using your hair products. I have been a faithful user since 2004.

I am 45 years old. All of my life. I have wanted long hair. I have very thick, course, 'nappy' hair that has been pressed, Jheri curled, over processed, natural, etc. Throughout my life I have had bad beauticians, used heat, etc. all of the things that destroy hair.

Thank you so much for making these products. If you look through your records, you will see that I consistently order from you over the last five years. I have bought your book about three times and loaned it to friends (they never return it but that is okay!)

I am a Christian woman, a member of the Church of Christ. The bible teaches that my hair is my glory – a covering and recognition of God's divine order. It is a shame to cut a woman's hair. (I Corinthians 11:1-16). By having the covering the Lord requires, we give a sign to the angels in heaven that we respect God's arrangement and man's headship. Many of my Caucasian sisters have hair to their waists or beyond – thank you for giving me a way to grow my hair as long as the good Lord will allow.

My husband loves my hair (especially when I wear bouncy curls) and cannot believe how long it has gotten. He touches it constantly.

Thanks again for your gift. Please feel free to use this letter in your testimonials section.

Forever your customer,

Wanda V. Fielder
Christian, wife, mother and special education teacher

The word 'long' in the scripture is from the Greek word 'komao', which means to let the hair grow long. The hair cannot grow long if it is being cut – one cuts his hair to keep it from growing long. In Revelation 9:8 there is an expression 'they had hair as the hair of women.'
